

3rd September 2024

Dear Parent/Carer,

C11 Geography Field Studies trip – Colchester and Walton; 19th September 2024

As you may be aware, learners studying Geography GCSE are required to carry out 2 pieces of field work in order to complete the section 5 of their final exam (9% of the overall mark). In addition to the distinctive landscapes unit, they will also need human focused field work by looking at the issues of urban development.

In order to carry out this field work, we will be visiting Colchester and Walton on the 19th September. We will be departing by coach at 9:00am and should be back at school for the buses at the end of the day. The learners will require a packed lunch, a drink and a few pounds in case there is an opportunity to purchase refreshments. They are required to wear school uniform. As we are visiting the beach, studying outside for most of the day and the weather may be inclement, learners should bring a waterproof coat and wear suitable footwear for the terrain eg. Trainers. If your child has a clipboard this would be helpful for them to bring to use.

The cost of Trip is **£16.00** which covers the cost of the transport and includes a ParentPay charge. This trip is an essential part of their course to collect the required data for their GCSE exam.

The School is covered by Zurich Insurance for all trips and visits. Details can be found through our website. Could I also draw your attention to a document on our website 'Payment for Enrichment Opportunities at Honywood' which is also available to read on our website. If you have any questions regarding the Enrichment Programme at Honywood, please contact Mrs Frogley, Enrichment Leader cfrogley@honywoodschool.com

Please do not hesitate to contact me if you have any further questions regarding the trip.

Yours faithfully,

Mrs L Morrow

Subject Leader KS4 Geography
