

TREE Summer Challenge

Honywood Intake 2026

Name: _____

Learning Group: _____

At Honywood, we have the TREE awards. TREE stands for trust, respect, equity and excellence.

Therefore, we challenge you to complete the TREE Summer Challenge before you start Honywood.

During the summer, look for examples of **Trust, Respect, Equity, and Excellence** in your own life, your family, your community, or the wider world.

Choose **one of the following options**:

Option 1: TREE Journal (Writing)

Create a page for each TREE value.

For each value:

- Describe a time when you showed it or saw someone else show it.
- Explain what happened.
- Write why it was important.
- Add a picture if you wish.

Option 2: TREE Poster (Drawing and Design)

Create a colourful poster showing:

- Trust
- Respect
- Equity
- Excellence

Include pictures, symbols, cartoons, or illustrations that represent each value. Add a short caption explaining your ideas.

Option 3: TREE Adventure Scrapbook (Creative Choice)

Over the summer, collect memories, photos, tickets, sketches, or notes from activities you do. Show how at least one experience links to each TREE value. Present it as a scrapbook, booklet, comic strip, or digital presentation.

Challenge Question

At the end, answer:

"Which TREE value do you think is the most important, and why?"
